Dear Professor Moldovan,

Re: WINNER ANNOUNCEMENT: EUROPEAN HAND HYGIENE EXCELLENCE AWARD 2013

CONGRATULATIONS! We have the honour to inform you that your hospital, 'Sf. Constantin' Hospital, has been designated as the laureate of the **European Hand Hygiene Excellence Award 2013**.

Your hospital has demonstrated outstanding leadership in the implementation strategy of an effective hand hygiene campaign and has strongly pursued associated programmes to support the WHO First Global Patient Safety Challenge: *Clean Care is Safer Care*.

Further to this, we are pleased to confirm the participation of 2 persons from your department to ICPIG 2013 in Geneva, Switzerland (25-28 June), to receive the Award. Expenses covered by the prize include ICPIG 2013 registration, return economy airfare, and 3 nights' hotel accommodation. Please contact Ms. Ilona Stocker (ilona.stocker@bbraun.com) to organize your itinerary, accommodation, and registration.

During the Award ceremony, you are also requested to give a short presentation of not more than 5 minutes on the hand hygiene programme that you have put in place at your hospital. Further details required for this presentation will be communicated to you at a later date.

As laureate of this award, we hope that your centre will continue to show leadership and become a role model for other hospitals in your region to excel in hand hygiene. We wish you all the very best in the future and congratulations again!

Yours sincerely,

Professor Didier Pittet (Chair)
Director, Infection Control Program
Hôpitaux Universitaires de Genève &
WHO Collaborating Centre on Patient Safety
Switzerland
